

Mill Cleaning Operative

Role Description:

Reporting to the Site Operations Manager you will be responsible for cleaning the feed mill and ensuring the site is maintained to a high standard of cleanliness adopting company working practices.

Your Responsibilities:

- Maintain high standards of cleanliness in the mill, ensuring that the mill meets all legal and quality standards
- Coordinate the mill hygiene plan
- Ensure all work is completed in a safe manner, records are up to date, maintained and in line with company safety policy
- Identify and report any persistent problem areas of dust to Site Operations Manager
- Identify and report any problems or damaged areas within the mill
- Ensure that all cleaning equipment is in good working order and inform a member of management of any problems
- Report any vermin issues to a member of management
- Assist other team members with storage and stock rotation of raw materials and finished products as required
- Being a team player and offering flexibility to support operators, engineers to meet the daily demands of mill operations, mill stoppages or break downs
- Help cover colleague breaks and holidays as required, this may involve working as part of a shift pattern during these periods
- Carry out daily and periodic maintenance check of any equipment including the forklift trucks and report any potential or actual problems without delay
- Ensure that all aspects of health and safety, environmental legislation, and other compliance requirements are adhered to (including fire, security and first aid procedures). In the event of any incident be prepared to be the point of contact to coordinate the correct response to the situation
- Accept health and safety responsibility for all persons on site (including visitors, employees and contractors) and to be prepared to stop any activity by any person that is deemed to be dangerous until suitable control measures are in place
- Be alert to the ongoing requirements of security on our sites and report any suspicious actions or occurrences to the Site Operation Manager immediately
- Be a conscientious team member and be prepared to be flexible in carrying out any other duties that may be required from time to time including overtime, call outs and cover when required
